THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION AND MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI YOGINDER K. ALAGH) : (a) to (e). The Conference of Chief Ministers held on July 4-5, 1996 identified seven Basic Minimum Services for priority attention with the objective of making an all out effort for their attainment by 2000 AD. These services are: (i) 100 per cent coverage of provision of safe drinking water in rural and urban areas; (ii) 100 per cent coverage of primary health service facilities in rural and urban areas; (iii) Universalisation of primary education; (iv) Provision of Public Housing Assistance to all shelterless poor families; (v) Extension of Mid-day-Meal Programme in primary schools to all rural block and urban slums and disadvantaged sections; (vi) Provision of connectivity to all unconnected villages and habitations; and (vii) Streamline the Public Distribution System with focus upon the poor.

It was further decided that within these Basic Minimum Services, focus would be on the attainment of the first three objectives within the next 2-3 years. However, States which have achieved satisfactory results in these areas, cab choose for their priority attention other components from among these seven Basic Minimum Services suited to their requirements.

For the financial year 1996-97, the Central Government has provided an additional outlay of Rs. 2216 crores as additional Central Assistance to States, exclusively for these Minimum Services. This would be in addition to the provision already made in the State plans for these seven identified services. It has been proposed that these funds would be routed through the existing Centrally Sponsored Schemes of the concerned nodal Departments/Ministries and the States would have the freedom to choose from among these.
